

How to Ride

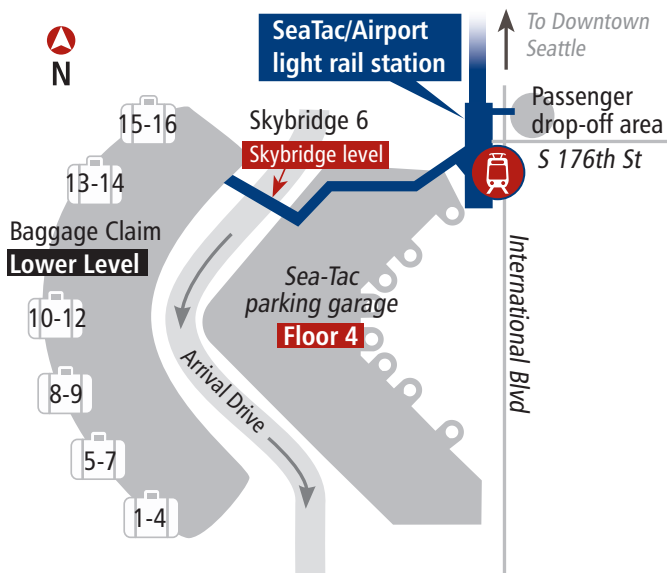

LINK LIGHT RAIL FROM THE AIRPORT

Finding the TRAIN STATION

The SeaTac/Airport Link light rail station is connected to the fourth floor of the airport's parking garage.

Walk to the north end of the airport's Main Terminal and take an escalator, elevator or stairs to the Skybridge Level (between the Ticketing Level and Baggage Claim). Head across the skybridge to the parking garage, where you'll find a walkway leading to the light rail station. The covered and level walkway is separated from the main parking area. **Signs at the airport clearly point the way.**

What you pay

Buy your tickets at the ticket machines located at the Link station using cash, credit or debit cards. Follow the easy instructions. Fares are determined by the distance you travel. Fares are lower for riders aged 6 to 18, over 65, and persons with disabilities. Passengers under age 6 ride free.

Light rail hours

Trains operate 20 hours a day on weekdays. Trains arrive about every 10 minutes. During rush hours, trains operate even more frequently.
